DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 05/28/2008 has been entered.

Information Disclosure Statement

Applicants' Information Disclosure Statement, filed 28 May 2008, has been received, entered into the record, and considered. See attached form PTO-1449.

The following is an examiner's statement of reasons for allowance:

Prior art of record fails to teach a combination of elements including creating an index for the subject multi-dimensional database using the identified number of features, wherein creating the index comprises storing deviation values for each of the identified number of features, wherein creating the index comprises creating a multi-dimensional database that is derived from the subject multi-dimensional database as recited in independent claim 55.

Prior art of record fails to teach a combination of elements including creating an index for the subject multi-dimensional database using the identified number of features, wherein the index comprises a second multi-dimensional database that is derived from the subject multi-dimensional database, wherein creating the index comprises storing deviation values for each of the identified number of features as recited in independent claim 73.

These features, together with the other limitations of the independent claims are novel and non-obvious over the prior art of record. The dependent claims 57-59 and 74-76 being definite, enabled by the specification, and further limiting to the independent claim, are also allowable.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to LESLIE WONG whose telephone number is (571)272-4120. The examiner can normally be reached on Monday to Friday 9:30am - 6:30 pm.
